Dear Neighbor

For three years

- Democrats in the major media lied about President Trump
- Democrats falsely accused President Trump of colluding with Russia
- Democrats in the intelligence agencies spied on President Trump
- Democrats colluded to impeach President Trump
- Democrats in state government lengthened lockdowns to wreck Trump's economy
- Democrats promoted mob chaos to defeat President Trump

Despite all opposition, President Trump has shown that MAGA is more than a motto. It is his mission.

President Trump has strengthened our national defense on land, sea, air, and in outer space.

- He has tightened our borders
- He has defeated the caliphate while reducing our military entanglements abroad
- He has refused to finance Iranian terror
- He has confronted Chinese and North Korean aggression
- He has pressured Europe to strengthen NATO
- He has recognized Jerusalem as capital of our ally, Israel

President Trump has ignited explosive job growth at home

- He has brought manufacturing jobs back from abroad
- He has cut regulatory gridlock
- He has reduced excessive job killing taxation
- He has negotiated fair trade agreements
- He has used tariffs to shape a free and level playing field for international trade.

President Trump has promoted equal justice under the law

- He has appointed conservative judges
- He has shown support for our police to stop mob violence
- He has moved to root out corruption in federal law enforcement agencies
- He has promoted religious liberty throughout the world

President Trump is pro- liberty, pro- life, pro -family, and pro-choice in education.

President Trump believes in America

Sincerely,
