I-National Issues

1 2020-1 Maintaining our National Sovereignty

2 WHEREAS, our United States of America is one sovereign nation, and
3 WHEREAS, free and sovereign nations are always under threat by those who wish to do them harm, and
4 WHEREAS, open border policies undermine our sovereignty,

5 NOW, THEREFORE, BE IT RESOLVED that the Republican Party of Sheboygan County, in caucus
6 assembled, thanks our U.S. Military leaders and personnel for their role in fighting terrorism and for their
7 continued vigilance; and humbly asks God to bless and protect our troops and our first responders. And
8 BE IT FUTHER RESOLVED that while we recognize the complexity of global conflict, we call on the
9 Congress and the President to deploy the U.S. military only in places where there is a clear threat to vital
10 U.S. interests, to pursue clear goals with clearly stated entrance and exit strategies, and only in situations
11 where the U.S. military personnel will be under U.S. command, and
12 BE IT FURTHER RESOLVED that the President of the United States defend our national sovereignty
13 by immediately securing our borders, and
14 BE IT FURTHER RESOLVED that Congress encourage legal immigration by taking immediate steps to
15 streamline immigration law, end admission through the loopholes of chain migration, end the immigration
16 lottery and birthright citizenship, and stop providing welfare benefits to those who enter the country
17 illegally, and
18 BE IT FURTHER RESOLVED the State of Wisconsin and the Federal Government require all employers
19 to use the E-Verify system to check the citizenship status of all persons who apply to work, that local
20 governments not be permitted to enact local ordinances, resolutions, and policies that prohibit
21 enforcement of federal or state laws relating to illegal or immigration status, that Congress prohibit any
22 Federal money from going to any state that refuses to permit the enforcement of federal immigration law,
23 and that we prohibit government benefits or subsidized medical services, tuition assistance, and
24 mortgages to non-citizens, and
25 BE IT FURTHER RESOLVED that federal law not consider foreign law binding in U.S. courts.

1 2020-2 Maintaining our National Unity

2 WHEREAS, identity and machine politics destroy our national unity by creating and exploiting conflict
3 among groups of our citizens for political gain--pitting women against men, race against race, rich against
4 poor, legal immigrant against illegal, city dweller against country dweller, blue collar worker against
5 white collar worker, public employee against private sector employee, and
6 WHEREAS, the unity of this ethnically and culturally diverse nation is bound up in the principles and
7 shared vision contained in the constitutions of the United States of America and those of each state, and
8 WHEREAS, this vision has brought the blessings of liberty and justice to generations of American
9 citizens and has provided the legal framework that allow us to respond to the will of the majority while
10 defending the rights of the individual, and
11 WHEREAS a nation that loses its unified vision cannot stand.

12 NOW, THEREFORE, BE IT RESOLVED that Republican Party of Sheboygan County, in caucus
13 assembled, uphold and promote the unifying principles of liberty and justice set forth in the Constitution
14 of the United States and the State of Wisconsin and refrain from fostering hatred and exploiting division
15 among our citizens, and
16 BE IT FURTHER RESOLVED that we hold our representatives accountable to their oath of office to

17 protect and defend the constitutions of the United States of America and the State of Wisconsin and
18 encourage them to promote their unifying principles in their political campaigns, and
19 BE IT FURTHER RESOLVED that we call on all publicly funded educational institutions to teach the
20 history and the principles that unify this nation and refrain from planting seeds of hatred and division by
21 promoting various forms of class warfare and identity politics, and
22 BE IT FURTHER RESOLVED that Congress officially adopt English as the single official language to
23 facilitate unity in this geographically and culturally diverse nation.

1 2020-3 Maintaining the integrity of our elections

2 WHEREAS, a free republic must reflect the will of the people, and
3 WHEREAS, recent elections have created political turmoil by raising doubts about the integrity of our
4 elections.

5 NOW, THEREFORE, BE IT RESOLVED that the Republican Party of Sheboygan County, in caucus
6 assembled, demands that we rigorously enforce election law to insure that legal citizens vote only once,
7 and

8 BE IT FURTHER RESOLVED that we outlaw and prosecute those engaged in ballot harvesting, and
9 BE IT FURTHER RESOLVED that the attorney general's office investigate and rigorously prosecute all
10 fraud within the absentee ballot and same day voter registration system, and

11 BE IT FURTHER RESOLVED the Wisconsin Legislature limit early voting to two weeks prior to the
12 election, and

13 BE IT FURTHER RESOLVED that we forbid providing illegal immigrants with drivers licenses that may
14 be used to enable them to vote illegally.

1 2020-4 Preserving our Constitutional Republic

2 WHEREAS, the United States of America is a constitutional republic established under the Judeo-
3 Christian principle that the Creator has endowed the individual, not the state or politically powerful
4 groups, with such inalienable rights as life, liberty, and the pursuit of happiness, and

5 WHEREAS, the Constitution of the United States safeguards the liberty of each individual by limiting
6 federal power to specifically stated jurisdictions, and

7 WHEREAS, it also safeguards this liberty by permitting only a duly elected Congress to make law while
8 limiting the President to enforcement and the Judiciary to interpretation, and

9 WHEREAS, the Democrats in the House have violated the letter and spirit of the Constitution by using
10 the impeachment process for partisan purposes,

11 NOW, THEREFORE, BE IT RESOLVED that the Republican Party of Sheboygan County, in caucus
12 assembled, dedicate ourselves to removing from office any of our Wisconsin House members who have
13 enabled this lawless impeachment process, and

14 BE IT FURTHER RESOLVED that the House deal with the urgent business of the people rather than
15 using its committees to engage in partisan, political activity, and

16 BE IT FURTHER RESOLVED that we request the Senate adopt rules that enable it to deal efficiently
17 with administrative appointments and current issues, and

18 BE IT FURTHER RESOLVED that Congress devolve to the states or remove from the federal agenda
19 bureaus and departments that do not comply with the 10th amendment. These would include the
20 Consumer Financial Protection Bureau and the Federal Department of Education, and

21 BE IT FURTHER RESOLVED that we call on Congress to respect the rights of the states by upholding
22 the Electoral College and the constitutional requirement limiting every state to two senators regardless of
23 size.

1 2020-5 Limiting the power and scope of the Administrative State

2 WHEREAS, the institutions of the traditional family, the church, the local school, volunteer associations,
3 and private businesses are the basis for a free, moral, and prosperous society, and
4 WHEREAS, government agencies, lacking the mechanism for creative destruction that eliminates
5 inefficient and obsolete operations, have expanded rapidly in number and size, and
6 WHEREAS, unrestrained federal borrowing contributes to the unchecked expansion of federal agencies,
7 and
8 WHEREAS, some of our employees within federal agencies, including the IRS, FBI, CIA, DOJ and the
9 Department of State, have engaged in partisan politics by attempted to subvert the role of a duly elected
10 administration, and

11 WHEREAS, an independent and unaccountable administrative state threatens the freedom of every
12 person and institution and even the survival of the republic itself,

13 NOW, THEREFORE, BE IT RESOLVED that the Republican Party of Sheboygan County, in caucus
14 assembled, demand that our elected officials and government employees be required to abide by the same
15 laws and dictates that apply to all other U.S. citizens, and

16 BE IT FURTHER RESOLVED that the President remove the corrupt appointments of past presidents and
17 that the Department of Justice prosecute those who have used their departments for political purpose, and
18 BE IT FURTHER RESOLVED that Congress act immediately to institute zero based budgeting and

19 perform budget cycle analysis for each department, and

20 BE IT FURTHER RESOLVED that the federal government balance its budget, and

21 BE IT FURTHER RESOLVED that rules be adopted stating that if Congress fails to pass a budget in
22 time, the government not be shut down, but the previous year’s budget shall remain in force, and

23 BE IT FURTHER RESOLVED that the President continue to remove previously imposed, unlawful, and
24 destructive executive orders and letters of advisement, and. -

25 BE IT FURTHER RESOLVED that the judiciary enforce the law to end the practice of warrantless
26 surveillance by federal agencies in the name of national security, revisit authorization of the FISA court,
27 and stop search and seizure misconduct as was seen in Wisconsin’s John Doe investigations and in the
28 endless investigations without probable cause of the Trump administration.

1 2020-6 Maintaining the Rule of Law

2 WHEREAS, the Constitution of the United States and the Constitution of the State of Wisconsin must
3 serve as enduring covenants to be amended only by representatives of the people, not “living” documents
4 to be revised by individual judges and courts, a process that leaves the people at the mercy of the last
5 judicial election or appointment, and

6 WHEREAS, our freedoms depend on the consistent enforcement of the law applied equally and justly to
7 all citizens and government entities, and

8 WHEREAS, in recent years the lower courts of the federal judiciary have issued 40 nationwide
9 injunctions, and

10 WHEREAS, empowering 600 lower court federal judges with veto power over all actions taken by the
11 executive branch violates the constitutional separation of powers and destroys the ability of the executive
12 branch to respond in a timely matter to challenges facing this nation, and

13 WHEREAS, administrators in federal law enforcement agencies and intelligence agencies have violated
14 their oaths of office by using their agencies for partisan purposes, and

15 WHEREAS, some prosecutors in cities throughout the country have contributed to the lawlessness by
16 refusing to prosecute property crime, and

17 WHEREAS, many public universities, once guardians of rational discourse, add to the lawlessness by
18 refusing to enforce basic rules of civility, thereby denying the first amendment rights of their students,

19 NOW, THEREFORE, BE IT RESOLVED, that the Republican Party of Sheboygan County, in caucus
20 assembled, promote the election and appointment of conservative judges at all levels, and
21 BE IT FURTHER RESOLVED that this caucus encourage President Trump to continue appointing
22 conservative judges and encourage the Senate to confirm the same, and
23 BE IT FURTHER RESOLVED that the judiciary apply the law consistently without regard to “disparate
24 impact”, and
25 BE IT FURTHER RESOLVED that the judiciary protect the property of citizens from the abuse of
26 excessive court settlements, the practice of civil forfeiture without due process, and partisan prosecutors
27 who refuse to prosecute property crime, and
28 BE IT FURTHER RESOLVED that we urge the Federal Department of Justice to prosecute all those in
29 federal agencies who have used their offices to engage in partisan political activity, and
30 BE IT FURTHER RESOLVED that the State Legislature and the Federal Department of Education act to
31 protect the first amendment rights of students and invited visiting speakers on college and university
32 campuses.

10 DNA from three or more donors.

1 2020-8 Defending the 2nd Amendment

2 WHEREAS, present law already requires background checks for firearm purchases and provides a
3 mechanism to disarm those deemed a threat to themselves and others, and

4 WHEREAS, new “red flag” laws being proposed are unconstitutional “prior restraint” laws that take
5 away a person’s Second and Fourth Amendment rights without due process, and

6 WHEREAS, confiscated guns under proposed “red flag” laws are not returned until the accused can prove
7 themselves innocent of a crime that they did not commit, and

8 WHEREAS, Universal Background Checks serve to develop a data base to facilitate later gun
9 confiscation as was seen in Australia, and

10 WHEREAS, Universal Background Checks will stop fathers or mothers from passing their legally-owned
11 firearms (already registered when purchased) to their sons or daughters, and

12 WHEREAS, exposing the firearms industry to liability caused by those who misuse firearms would
13 destroy the industry, thereby disarming the public in violation of the second amendment.

14 NOW, THEREFORE, BE IT RESOLVED that the Republican Party of Sheboygan County, in caucus
15 assembled, calls on District Attorneys to enforce laws now on the books, especially those that deny felons
16 the right to bear arms, and

17 BE IT FURTHER RESOLVED that our legislature not restrict the sale or ownership of lawfully produced
18 guns, clips/magazines, and ammunition, and not impose extraordinary taxes or fees on same, and

19 BE IT FURTHER RESOLVED that our legislature not establish any registry of firearms, accessories or
20 ammunition owners, and

21 BE IT FURTHER RESOLVED that our Legislature protect law-abiding citizens and manufacturers of

10 prosperity, to preserve peace through strength, and to advance American influence abroad, and

13 republic and safety of its citizens.

11 transparency for medical services.

5 debts of those who have not, and
6 WHEREAS, colleges and universities must take responsibility for the programs that they offer.
