1 **WE ARE ONE NATION**

2 **2022-1 Secure our borders**

3 *Whereas*, a sovereign nation is defined by its borders, and  
4 *Whereas*, the speed and ease of travel has made every state a border state, and  
5 *Whereas*, the president Biden has opened our southern border to invasion by millions of  
6 foreign nationals fleeing the poverty, chaos, and oppression of their own authoritarian, socialist  
7 countries, thereby overwhelming our social safety nets and bringing chaos to this nation, and  
8 *Whereas*, president Biden has not only refused to enforce immigration law but is himself  
9 engaged in human trafficking by transporting illegal aliens, often under cover of darkness and a  
10 complicit press, onto state lands.

11  
12 **RESOLVED** that the Republican Party of Sheboygan County in caucus assembled,

- 13 1. Calls on Congress to draw up articles of impeachment against President Biden for  
14 engaging in the high crime of human trafficking, and
- 15 2. calls on Congress to either order President Biden to complete the border wall or  
16 empower border states to do so, and
- 17 3. calls on the Wisconsin State Legislature to require the governor to send the Wisconsin  
18 national guard to help the national guards of southern border states defend their, and  
19 our, border from invasion, and
- 20 4. calls on the Wisconsin State Legislature to demand that the Wisconsin State Patrol  
21 arrest anyone engaged in human trafficking, including those employed by federal  
22 agencies, and return illegal entrants to the other side of the border, and
- 23 5. demands that county sheriffs do the same, and
- 24 6. calls on congress to end chain migration and birthright citizenship.

25  
26 **2022-2 Defend our country.**

27 *Whereas*, this world is rapidly becoming a more dangerous place, with an increasingly bellicose  
28 China, Iran, North Korea, Russia, and unstable nations through Africa and our hemisphere, and  
29 *Whereas*, our hasty Afghanistan withdrawal has contributed to its instability by rearming the  
30 Taliban with billions of dollars of arms, ammunition, and other military hardware, and  
31 *Whereas*, this humiliating debacle has created the belief that the U.S. military, once seen as the  
32 guardian of the free world, has become just another impotent bureaucracy at its highest levels,  
33 and  
34 *Whereas*, our great number of intelligence and surveillance agencies, intended to spy on our  
35 enemies, has become a greater threat to the liberty of the American people than to our  
36 enemies.

37  
38 **RESOLVED** that the Republican Party of Sheboygan County in caucus assembled,

- 39 1. urges Congress and the President to take immediate action to reduce our bloated  
40 military high command by removing those generals and admirals more concerned about  
41 national politics and social engineering in the ranks than in national defense, and
- 42 2. urges the Biden administration and the military high command to summon the will to  
43 support our allies and to stand up to the corrupt regimes of China, Russia, and Iran, and

- 1 3. urges our Congress to take immediate steps to defend the privacy of American citizens  
2 from our own intelligence and federal law enforcement agencies that violate their  
3 charters and spy on the American public.  
4

5 **2022-3 Regain energy independence.**

6 *Whereas*, this nation cannot survive without a reliable, stable supply of energy, and

7 *Whereas*, we are finding that windmills and solar panels with various forms of batteries, are  
8 now unable to meet our demand for a reliable supply of electricity, as they are ineffective in  
9 extreme or cold weather, are costly to build , maintain, and decommission, and

10 *Whereas*, this nation, which was both energy independent and an exporter of energy less than  
11 a year ago, now faces critical shortages and subsequent inflationary price increases as a result  
12 of the Biden administration’s war against fossil fuels and nuclear power, and

13 *Whereas*, it is dangerous to return to energy dependence on unstable middle eastern countries  
14 as proposed by the Biden administration, and

15 *Whereas*, moving coal fired plants to China and oil drilling to Saudi Arabia, as proposed by the  
16 Biden administration, devastates our own economy while doing nothing for the environment,  
17 and

18 *Whereas*, in Wisconsin and elsewhere, both aging nuclear plants as well as clean burning coal  
19 plants are going off line, creating a serious energy crisis for this state, and

20 *Whereas*, “incentives” to car companies for rapid electrification are simple crony capitalism  
21 that increase our dangerous reliance on unreliable electric generation monopolies.  
22

23 **RESOLVED**, that the Republican Party of Sheboygan County in caucus assembled,

- 24 1. urges our Congressional delegation to demand that the Biden administration stop  
25 destroying our fossil fuel and nuclear power industries, and  
26 2. urges both federal and state governments to adopt policies that increase our electricity  
27 generation and distribution capacity through continued use of fossil fuels as we move to  
28 the use of widely dispersed small modular nuclear power generation stations, and  
29 3. urges Congress to discontinue all taxpayer subsidies to electric car manufacturers, along  
30 with arbitrary and unrealistic EPA demands, and leave it to the free market to direct and  
31 fund development.  
32

33 **2022-4 Restore sound money—Stop taxation through inflation.**

34 *Whereas*, the United States serves as guardian of the dollar that is the dominate world  
35 currency, and

36 *Whereas*, unrestrained US federal printing of trillions of dollars to pay for unfunded US federal  
37 spending threatens both the survival of this nation’s economic system and the security of the  
38 entire world economy, and

39 *Whereas*, dramatically increasing our money supply reduces the value of our currency thereby  
40 imposing a brutal inflation tax that hurts the poor the most by raising the prices of all staples  
41 and wipes out the savings and investments of the middle class.  
42

43 **RESOLVED** that the Republican Party of Sheboygan County in caucus assembled,

- 1 1. supports only candidates who understand the danger of irresponsible federal  
2 spending, and
- 3 2. urges Congress to cut spending rather than increasing our debt limits, and
- 4 3. supports only candidates for state and local office with the courage to resist the lure  
5 of “federal grants” which Washington uses to corrupt state and local officials and to  
6 bribe citizens with their own money to become a permeant peasant class dependent  
7 of government largess, and
- 8 4. supports candidates who demand annual zero-based budgeting rather than  
9 unaccountable federal spending through continuing resolutions.

10  
11 **2022-5. Secure our elections**

12 *Whereas*, election fraud anywhere strikes at the core of representative government, and  
13 *Whereas*, the unchecked power of government has become so great that the most powerful  
14 people and organizations in the this country and the world, including those who control our  
15 internet, will stop at nothing to seize or retain that power, and

16 *Whereas*, the executive branch of the Wisconsin State government, along with much of the  
17 judiciary, is now in the hands of Democrats who refuse to enforce any laws, including election  
18 laws, that do not benefit them, and

19 *Whereas*, the Wisconsin Elections Commission, like the GAB before it, not only has refused to  
20 enforce Wisconsin election law but has issued “guidance” ordering nursing homes in Wisconsin  
21 to break the law, and

22 *Whereas*, the Racine County Sheriff department’s investigation of the Ridgewood Care Facility  
23 provides ample evidence vote harvesting; and

24 *Whereas*, Wisconsin’s 2020 election has exposed the following serious “election irregularities:”

- 25 \* millions of “Zuckerbucks” being used to privatize elections in Wisconsin
- 26 \* 265,000 Wisconsinites voting “indefinitely confined”; many without a valid photo ID  
27 on record
- 28 \* the refusal to purge the voter registration lists of 234,000 people who are suspected  
29 to have moved or died until after the election
- 30 \* the illegal use of voter “drop boxes” even before allowable early voting
- 31 \* election officials ‘curing’ invalid mail in ballots, and

32 *Whereas*, the legislative branch of the State government has passed 11 laws in the past year  
33 that close loopholes in Wisconsin election law, and Governor Evers has vetoed them all, and

34 *Whereas*, the legislative branch of state government has launched investigations of these  
35 election “irregularities”, which have been stonewalled by Democrat officials at every level of  
36 government, and

37 *Whereas*, leading candidates and their supporters of both parties--from Hillary Clinton and  
38 Stacey Abrams to Donald Trump—all contend that elections have been stolen, and

39 *Whereas*, the electorate must have faith in our elections.

40  
41 **RESOLVED** that the Republican Party of Sheboygan County in caucus assembled  
42

- 1 1. commends our Republican State Legislators for passing 11 laws that close loopholes  
2 that enable election fraud, and
- 3 2. dedicates ourselves to replacing Governor Tony Evers, who endorsed election fraud by  
4 vetoing all election law reforms and Attorney General Josh Kaul, who refuses to  
5 enforce election law, and
- 6 3. commends the Racine County Sheriff Department for its investigation of election fraud  
7 in their county and urges our Sheriff Department and District Attorney and those in  
8 other counties to do the same, and
- 9 4. A. recommends that our Republican state legislators continue to support the WEC but  
10 only if they replace two of the Republican board members with two who are more  
11 likely to enforce the law, like Janel Brandtjen and Tim Ramthun, and with the added  
12 provision that any tie on the board be broken by the Secretary of State, not the  
13 unelected staff; or B. that the Wisconsin State Legislature disband the WEC and  
14 return its function to the Secretary of State, and
- 15 5. demands that municipal and county clerks who facilitate vote harvesting in nursing  
16 homes be investigated by the county sheriff and charged by county district attorney,  
17 and
- 18 6. demands that the ongoing investigations of election “irregularities” in the 2020  
19 election result in the prosecution and punishment of those responsible for these  
20 “irregularities”, and
- 21 7. demands that no machine used to count votes in the state of Wisconsin be capable of  
22 being connected to the internet and that vote tallies not be made public by any clerk  
23 until all clerks are ready to report results, and
- 24 8. calls on our local state legislators to support Rep. Tim Ramthun’s move to decertify  
25 Wisconsin’s 10 Electoral College Votes due to the violations of election law by the  
26 WEC.

27

## 28 2022-6. Educate don’t indoctrinate

29

### 30 **k-12**

31 *Whereas*, the survival of this free republic requires that we teach the next generation to  
32 appreciate its foundational principle of liberty through law, its Constitutional form of  
33 government, its history, and its unique culture, and

34 *Whereas*, Marxism, now renamed “Critical Race Theory”, and revisionist “histories” like the  
35 1619 Project, that oppose all of our foundational principles, have taken root in our state  
36 educational system, and

37 *Whereas*, in addition to teaching this country’s foundational principles, schools also must teach  
38 self-control, personal responsibility, and respect for the rights of others and for the rule of law,  
39 and

40 *Whereas*, the Wisconsin school choice program promotes liberty by encouraging ~~more~~  
41 independent schools that increase competition, creativity, and innovation while reducing costs  
42 to the taxpayer.

43

- 1 RESOLVED that the Republican Party of Sheboygan County in caucus assembled  
2 1. demands that state schools from kindergarten to graduate school eliminate political  
3 indoctrination programs such as the “1619 Project” and critical race theories that  
4 subvert our foundational principles and destroy the peace and unity of this country, and  
5 2. condemns Tony Evers for opposing parental choice in education and inflating the costs  
6 of public schools in Wisconsin by pouring more millions of taxpayer dollars into the  
7 dysfunctional MPS bureaucracy, and  
8 3. urges local public-school boards to demand that their schools prioritize teaching self-  
9 control, personal responsibility, and a respect for the law rather a sense of victimhood  
10 and feelings of entitlement, and  
11 4. calls our state legislature to expand the Wisconsin School Choice program to include all  
12 students, and  
13 5. calls on our state legislature to ensure that independent schools retain their  
14 independence from the state and federal departments of education.

15  
16 **Post high school**

17 *Whereas*, many public university administrations, rather than affirming the unifying principle of  
18 equal justice under the law have created a divisive “diversity” industry that profits from  
19 generating racial, gender, and class conflict, and

20 *Whereas*, many departments within our universities now oppose the traditional American  
21 values that form the basis for this country such as the sanctity of every life, individual liberty,  
22 private property, and equal justice under the law, and

23 *Whereas*, the vast number of career options open to students upon high school graduation  
24 requires students themselves take primary responsibility to invest in their own career choices,  
25 and

26 *Whereas*, it is neither wise nor fair to force students or parents of those who counted the cost  
27 and have chosen other career options than those requiring college or university to pay for  
28 those who may reap the rewards of doing so, and

29 *Whereas*, easy access to federally guaranteed loans for higher education has inflated its cost  
30 thereby saddling many of those who do choose that career option with crushing debt, and

31 *Whereas* colleges and universities must take responsibility for the costs and quality of their  
32 programs and the success of their students.

33  
34 RESOLVED that the Republican Party of Sheboygan County in caucus assembled,

- 35 1. recommends that all state funded universities require at least one course that teaches  
36 an appreciation for the history of our country, our principles of law and justice, and our  
37 founding documents, including the Declaration of Independence, The Constitution, The  
38 Wealth of Nations, Common Sense, and the Federalist Papers, and  
39 2. urges our Wisconsin State Legislature to demand that our universities hire to promote a  
40 diversity of thought rather than diversity of skin tone, gender, and sexual orientation,  
41 and  
42 3. demands that state universities uphold the constitutional rights of their adult students  
43 and staff; and

- 1 4. calls Congress to require student loans be provided and managed by university
- 2 foundations and private business, not by the federal government; and
- 3 5. renews our demand that Congress delete the unconstitutional Department of
- 4 Education.
- 5

## 6 Under God

### 7 2022-7 Protect life

8 *Whereas*, our Constitutional republic is based on the central idea that the Creator has endowed  
9 every person with the unalienable rights of life, liberty, and the pursuit of happiness, and  
10 *Whereas*, it is the primary function of government to protect those rights, and  
11 *Whereas*, the lives of our most vulnerable citizens, the unborn, need protection.

12  
13 RESOLVED that the Republican Party of Sheboygan County in caucus assembled

- 14 1. declares itself to be unabashedly pro-life, and
- 15 2. commends our Republican legislature for passing four bills limiting abortion and
- 16 condemns Democrat governor Tony Evers for vetoing all them, and
- 17 3. demands that government at every level deny taxpayer funding to any organization
- 18 at home and abroad that kills unborn children or encourages other to do so, and
- 19 4. rejects the use of embryonic stem cells harvested from clinical abortions, and
- 20 5. opposes the practice of eugenics and assisted suicide, and
- 21 6. demands that our state legislators support all pro-life laws and reject legislation that
- 22 does the reverse (2022 Assembly Bill 36), and
- 23 7. Calls on our state legislators support the Personhood Amendment and/or a
- 24 heartbeat bill, and
- 25 8. Instructs our Congressional delegation to do everything in its power to stop the
- 26 human rights violations of other nations, including the human organ harvesting
- 27 industry being maintained by the Chinese Communist Party.
- 28

### 29 2022-8 Defend religious liberty

30 *Whereas*, the right to practice one's faith is a God given right guaranteed by our Constitution,  
31 and

32 *Whereas*, religious persecution is increasing throughout the world--from the executions in the  
33 Middle East, concentration camps in North Korea and China, and the slaughter of entire  
34 Christian villages in Nigeria, and

35 *Whereas*, our own government has ordered churches closed while "essential" liquor store and  
36 abortion mills remain open.

37  
38 RESOLVED that the Republican Party of Sheboygan County in caucus assembled

- 39 1. declares that no public official has the authority to deny citizens the right to worship
- 40 per the Wisconsin Constitution Article I Section 18 and recommends that citizens
- 41 refuse to obey such lawless orders, and

2. commends the Wisconsin legislature and the Wisconsin Supreme Court for overriding the governor’s illegal order to shut down public worship, and
3. urges the federal government to formally identify countries and organizations persecuting Christians and other non-violent religious groups and use the power of the U.S. federal government to oppose them.

2022–9 Promote love, marriage, and the family

*Whereas,* independent families, with fathers and mothers who marry, give birth, and teach and nurture the next generation are the most important foundation for a stable civil society and

*Whereas,* American Marxists are attempting to destroy the independent family with its inherent ideas of love, motherhood, fatherhood, family obligations and loyalties and are denying the fact that there are biological differences between men and women.

RESOLVED that the Republican Party of Sheboygan County in caucus assembled

1. declares that we are the party of family; celebrating the mystery of romance and marriage, the unique responsibilities of fatherhood and motherhood, the comfort and pain of home and family, and
2. declares that we oppose all that weakens the family like tax systems that encourage people not to marry, social programs that encourage families to break apart or have children out of wedlock, and sex education that dismisses gender as simply an illusion and sex as little more than entertainment, and
3. recognizes that differences between men and women often call for separate treatment:
  - for bathrooms and dormitories
  - sports where women need not compete with biological males
  - for prisons that separate women from biological males
  - for a military that does not draft women, and
4. calls our state legislature to criminalize the administration of puberty blockers and opposition hormones by parents, medical staff, or other third parties for the purpose of gender transitioning minor children, and
5. calls on our state legislature pass laws that enable minor children who have been “transitioned” to recover damages against parents, medical staff, or other third parties for ten years after reaching the age of majority while allowing for the full recovery of attorney fees where there has been a willful and intentional administration of experimental puberty blockers and opposition hormones upon a minor child, and
6. opposes any attempts by professional organizations to force physicians to support gender transitioning.

1 **Indivisible**

2 2022-10 Obey the Constitution

3 *Whereas,* our founders developed a constitutional system of government with the strength to  
4 unify a geographically and culturally diverse nation while protecting the regional and local  
5 autonomy of every state, and

6 *Whereas,* the Constitution has done so by limiting the power of the federal government to  
7 specific enumerated areas and requiring that it rule by law not by the arbitrary dictates of  
8 politicians or its administrative state, and

9 *Whereas,* the 10<sup>th</sup> amendment states “the powers not delegated to the United States by the  
10 Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the  
11 people”, and

12 *Whereas,* federal agencies are ignoring their constitutional limitations when the IRS, FBI, and  
13 DOJ intimidate and imprison their political enemies, when intelligence agencies spy on  
14 American citizens, and when agencies like OSHA exercises dictatorial control over every nuance  
15 of business activity in this country, and

16 *Whereas,* no person or private business can be safe or, acting alone, can defend themselves  
17 from tyrannical federal agencies.

18

19 RESOLVED that the Republican Party of Sheboygan County in caucus assembled,

- 20 1. calls our state legislators to work together with other liberty loving state governors
- 21 and legislatures to determine how best, to defend our citizens from all powerful
- 22 federal agencies, and
- 23 2. demands the State of Wisconsin Legislature immediately pass legislation that
- 24 requires any transfer of Wisconsin State land and water to the Federal government
- 25 to be approved by the Wisconsin State Assembly and the Senate, not just the
- 26 Governor, and
- 27 3. Promises to fight to elect or reelect representatives more loyal to our Constitution
- 28 than to their political party.

29

30 **With Liberty**

31 2022-11 Restore liberty

32 *Whereas,* this country is founded on the principle that the law is king, not the whims of any  
33 individual or government bureau, and

34 *Whereas,* law must defend, not threaten, the life, liberty, and property of citizens, and

35 *Whereas,* our legislators are destroying liberty whenever they pass thousands of pages of  
36 hastily written law, which they have not had time to read or analyze, and then give the  
37 administrative state absolute power to add tens of thousands of regulations and mandates,  
38 each having the force of law, and

39 *Whereas,* the executive branch of the federal government has fallen into the hands of those  
40 who wish to replace our most important institutions—church, home, school, and hospital—with  
41 government, which they control.

1  
2 RESOLVED that the Republican Party in caucus assembled

- 3 1. seeks to keep church, home, school, and hospital free from state and federal  
4 control, and
- 5 2. dedicates itself to electing and reelecting only legislators with the courage to take  
6 control back from the administrative state, and
- 7 3. calls on the United States Congress and the Wisconsin State Legislature to remove or  
8 update old laws that threaten the lives, liberty, or property of the people, and
- 9 4. dedicates itself to publicizing the voting records of all public officials including school  
10 board members, city aldermen, county supervisors, judges, prosecutors, and state  
11 and local representatives--and electing or reelecting only those who understand the  
12 power and importance of liberty.

### 13 14 2022-12 Stop Covid Tyranny

15 *Whereas*, our founders, no strangers to pandemics, wars, and the struggle for survival,  
16 developed a constitutional system that releases the ingenuity, ambition, and altruism of every  
17 free citizen to create a nation so peaceful and so successful that it is in danger of being  
18 overwhelmed by billions of people wanting entrance, and

19 *Whereas*, when faced by this Covid emergency, Democratic administrations at every level have  
20 abandoned this system best able to deal with emergencies, and chosen the worst possible  
21 system; the arbitrary orders of arrogant or panicked politicians, and

22 *Whereas*, free people must obey laws; slaves must obey orders; and

23 *Whereas*, no person or agency can fully understand the complexity of the human body or all of  
24 the relationships and interrelationships that comprise public health, and

25 *Whereas*, unaccountable public "officials" now routinely use taxpayer funds to advertise  
26 experimental treatments without any warnings about possible side effects, order mass  
27 vaccinations of entire populations without considering preexisting conditions, forbid doctors  
28 and hospitals to use treatments used successfully around the world, and even inject vulnerable  
29 children at school without parental knowledge or permission, and

30 *Whereas*, it is impossible for anyone to distinguish between "essential" and "nonessential"  
31 jobs in our infinitely complex and interrelated free market system, and

32 *Whereas*, this administration has issued blanket shut down orders for businesses they deem to  
33 be "nonessential" and by so doing have destabilized the entire economic and social ecosystem  
34 and destroyed thousands of small businesses and millions of lives and livelihoods, while  
35 enriching the few, and

36 *Whereas*, this same administration, encouraged by its success in using "the Covid " to  
37 terrorize the public into submission, is now attempting to use the same tactics by declaring our  
38 ever-changing climate to be an "emergency" that requires their wise control of the liberty and  
39 property of every citizen.

40 .  
41 RESOLVED that the Republican Party in caucus assembled,

- 42 1. declares that no public official or agency shall be allowed to control every hospital,  
43 every doctor, and every person's body in this vast republic, and

- 1 2. declares all citizens in legal jobs and jury service to be essential workers, and
- 2 3. declares that all orders that deny civil liberties simply by declaring a public health or
- 3 an environmental “emergency” are acts of insurrection against the letter and spirit
- 4 of our free republic and shall be ignored or deemed advisory only, and
- 5 4. calls all businesses, public and private, to respect the liberty of their employees and
- 6 the American public, and
- 7 5. calls on hospitals, Wisconsin DSPS, insurers, and licensing boards to respect the duty
- 8 of physicians and professional staff to treat their patients as they see fit and not bow
- 9 to the dictates of our increasingly politicized public health and big pharma
- 10 establishments, and
- 11 6. demands that our medical establishment, and pharmacies in the State of Wisconsin
- 12 obey the spirit and letter of our “right to try” law, and
- 13 7. demands that any school official who allows children to be medicated without
- 14 written parental permission be prosecuted, and
- 15 8. declares itself to be one with local and national groups working to restore liberty.
- 16

## 17 2022-13 Respect gun rights

18 *Whereas*, the second amendment is unique to America, literally placing power in the hands of  
19 the citizens, and

20 *Whereas*, Democrats are engaged in a war against independence and independent gun  
21 ownership, and

22 *Whereas*, the dramatic increase in gun ownership and conceal carry permits is a result of the  
23 failure of politicians to enforce law, not the cause of lawlessness.

24

25 RESOLVED that the Republican Party of Sheboygan County in caucus assembled

- 26 1. demands our State legislators abide by their oaths to uphold the Wisconsin
- 27 Constitution and fully carry out the duties of Article I Section 25, “The people have
- 28 the right to keep and bear arms for security, defense, hunting, recreation or any
- 29 other lawful purposes”, and
- 30 2. calls on our government to protect law-abiding citizens, law enforcement officers,
- 31 and manufacturers of firearms and firearm accessories from civil and criminal
- 32 litigation in event a legally permissible firearm is used in defense of themselves,
- 33 others, their property or that of others, and
- 34 3. demands that our government NOT restrict the sale or ownership of lawfully
- 35 produced guns clips/magazines, and ammunition, and not impose extraordinary
- 36 taxes or fees on the same, and
- 37 4. demands that our legislature oppose any registry of firearms, accessories or
- 38 ammunition, and
- 39 5. demands that District Attorneys enforce gun laws now on the books that deny felons
- 40 the right to bear arms, and
- 41 6. calls on our state government to amend the definition of schools” in Wis &
- 42 948.61(1)(b) to exclude “private” and home schools on private property from being
- 43 regulated by Wis & 948.60.

1 2022-14 Encourage free speech

2 *Whereas*, the internet has become an essential public service, and  
3 *Whereas*, many social media companies no longer serve as neutral platforms but edit news,  
4 censor opinion, and ban those with whom they disagree and  
5 *Whereas*, tech oligarchs are now able to violate every citizen’s rights to free speech and to  
6 free inquiry through their control of search engines, and  
7 *Whereas*, no free republic can survive so much power being limited to so few.

8  
9 RESOLVED that the Republican Party of Sheboygan County in caucus assembled

- 10 1. calls on Congress to update the laws of libel opening social media companies that  
11 are not simple platforms to lawsuit, and  
12 2. calls on Congress to break up our too powerful tech monopolies.

13  
14 2022-15 Empower the grass roots

15 *Whereas*, today the Republican Party remains the only political option for Americans to stand  
16 against the power of government, special interests, and political power brokers, and  
17 *Whereas*, the political primary places power directly in the hands of the Republican Party  
18 voters, and  
19 *Whereas*, the constitution of the Republican Party, which requires the RPW convention to  
20 endorse candidates for each of the five state constitutional offices, and  
21 *Whereas*, previous primary endorsements, prior to the primary, have caused division and  
22 conflict within the party in the past and will continue to do so, given the number of candidates  
23 for many offices; conflict that we can ill afford when liberty itself is at such risk from political  
24 insiders in every level of government, and  
25 *Whereas*, when more than one Republican enters a primary, we must empower the grass  
26 roots Republican primary voters, not the Republican party power brokers, to determine which  
27 candidate shall receive party support.

28  
29 RESOLVED that the Republican Party of Sheboygan County, in caucus assembled,

- 30 1. supports adding a ‘no-endorsement’ option to the required endorsement ballot for  
31 each of the five state constitutional offices and the United States Senate.

36 **And Justice for All**

37 2022-16. Back the badge

38 *Whereas*, the Republican Party stands for the “Liberty through Law” that occurs when the  
39 same law is applied equally to all, including those who make and enforce the law, and

1 *Whereas*, people flock to this country where citizens and their property can be safe from the  
2 power of their own government and the power of lawless individuals and mobs, and  
3 *Whereas*, we lose our liberty when Antifa, BLM, and Marxist thugs burn our cities with  
4 impunity, when smash and grab mobs loot our businesses, when fearless gangs gun down our  
5 citizens in the streets, and  
6 *Whereas*, many Democratic mayors and governors enable and even support individual and  
7 mob violence against the very citizens whom they have sworn to protect, and  
8 *Whereas*, citizens who have been forced to use firearms to protect their lives, homes,  
9 businesses, and those of others have themselves been targeted by the same law enforcement  
10 establishment that failed to protect them in the first place, and  
11 *Whereas*, federal law enforcement agencies, once guardians of liberty, now themselves  
12 routinely violate the law by subverting local law enforcement, by intruding into local school  
13 board meetings and even school bathrooms, by imprisoning political enemies for months  
14 without trial, by tracking down and threatening citizens who exercise their right to freely  
15 assemble, by wielding the IRS as a political weapon and even becoming so brazen as to deploy  
16 SWAT teams to harass journalists and any other private citizens who threaten their power.

17

18 **RESOLVED** that the Republican Party of Sheboygan County in caucus assembled

- 19 1. calls all citizens to stand together to support those who are unjustly targeted by
- 20 both the lawless mob and our increasingly lawless federal agencies, and
- 21 2. calls all citizens to vote out of office every legislator who fails to fight for liberty
- 22 through law, and
- 23 3. calls all state, county, and local law enforcement personnel, to strictly enforce all
- 24 laws that protect the lives, liberty, and property of the citizens of Wisconsin, and
- 25 4. calls on our legislature to protect law enforcement personnel from criminal and civil
- 26 prosecution for actions taken to defend themselves, others, or the property of
- 27 others in the line of duty, and
- 28 5. calls local law enforcement agencies to abide by their oaths office and NOT enforce
- 29 orders of officials that violate the rights of citizens as stated in the Constitution and
- 30 Bill of Rights, and
- 31 6. demands that our state legislators pass laws to expand Castle Law to businesses,
- 32 homes, and vehicles to protect lives and property from individual or mob violence,
- 33 and
- 34 7. demands that our representative to Congress defund politicized federal law
- 35 enforcement agencies, and
- 36 8. demands that city aldermen and county supervisors, adequately fund and staff local
- 37 law enforcement agencies and promises to campaign against those who fail to do so.

38

### 39 2022-17 **Do justice**

40 *Whereas*, prosecutors and judges must administer justice and maintain the rule of law, and  
41 *Whereas*, we are experiencing a well-funded and well-organized attempt to destabilize this  
42 country by destroying the rule of law, and

1 *Whereas*, this assault is taking the form of millions of dollars being poured into district  
2 attorney and judicial races to replace conservative prosecutors and judges who protect the  
3 lives, liberty, and property of citizens with progressive prosecutors and judges who avoid trial  
4 by jury and talk about “root causes,” “restorative justice,” and “bail reform” while releasing  
5 criminals back onto the streets to prey on the public, and  
6 *Whereas*, refusal to enforce shoplifting laws results in wholesale looting that wipes out vital  
7 services, refusal to enforce laws against carjacking and assault threatens everyone’s freedom of  
8 movement, refusal to enforce gun laws enables armed felons to terrorize entire neighborhoods  
9 and refusal to enforce election law threatens the survival of our free republic, and  
10 *Whereas*, the failure of prosecutors and judges to protect the lives, liberty, and property of  
11 citizens has compelled millions of desperate Americans to arm themselves, and  
12 *Whereas*, we need an independent federal judiciary with the power to overrule  
13 unconstitutional actions of both the legislative and executive branches, but we cannot permit  
14 judges to make or alter the law from the bench, and  
15 *Whereas* “activist” judges commonly rationalize revising or ignoring the constitutional law to  
16 achieve what they deem to be more virtuous outcomes thereby perverting the “rule of law”  
17 into the “rule of judge.”

18

19 RESOLVED that the Republican Party of Sheboygan County in caucus assembled

- 20 1. urges the legislature to insure adequate funding for prosecution offices, courts, and  
21 prisons, and
  - 22 2. dedicates itself to investigating and publicizing the philosophies and records of  
23 candidates for prosecutor and judge, and
  - 24 3. promises to actively campaign for conservative prosecutors and judges and against  
25 liberal prosecutors and activist judges.

1 2022-18 Speaker Vos

2 *Whereas*, Assembly Speaker Robin Vos has refused to cooperate with Representative Janel Brandtjen,  
3 Chair of the Campaigns & Elections Committee and the Vice-Chair of the Committee on Government  
4 Accountability & Oversight, in her efforts to investigate election fraud, including his refusal to sign  
5 subpoenas issued by her or allow her the rightful oversight role of the investigation led by former Supreme  
6 Court Justice Michael Gableman, and

7 *Whereas*, each State Representative is provided with staff to serve the people of their respective  
8 legislative district, and

9 *Whereas*, Representative Ramthun was elected to serve the people of the 59th District, and

10 *Whereas*, Speaker Vos removed the only full-time staff member of Representative Ramthun after  
11 Representative Ramthun unveiled the truth of Speaker Vos's support of drop boxes for the 2020 election,  
12 and

13 *Whereas*, this removal makes it impossible for Representative Ramthun to effectively serve and assist  
14 those who elected him, and

15 *Whereas*, this removal is an immoral, vindictive step, one that punishes open discourse on controversial  
16 issues and has no place in the actions of a leader, and

17 *Whereas*, this removal sends a clear message to all other State Representatives that Speaker Vos will  
18 punish them for speaking the truth if it damages his reputation, and

19 *Whereas*, the support of drop boxes is antithetical to election integrity, encourages voter fraud, and  
20 results in a distrust of election outcomes by the large majority of Wisconsin voters, and

21 *Whereas*, Attorney Misha Tseytlin wrote on behalf of Speaker Vos regarding drop boxes; "We  
22 wholeheartedly support voters' use of any of these convenient, secure, and expressly authorized  
23 absentee-ballot-return methods", and

24 *Whereas*, Speaker Vos and Senator Fitzgerald signed off on drop boxes without a full vote of the  
25 legislature, and

26 *Whereas*, Republican State Senator Kathy Bernier is writing legislation to  
27 legalize drop boxes and, when questioned, Speaker Vos has refused to  
28 answer questions if he supports drop boxes or not.

- 1 *RESOLVED*, that the Republican Party of Sheboygan County, in caucus  
2 assembled  
3
- 4 1. Condemn Representative Vos's actions:
    - 5 a. Removing Representative Ramthun's staff.

7 Committee and the Vice-Chair of the Committee on Government Accountability &  
8 Oversight.
    - 9 c. The slow-walking any meaningful investigation of the 2020 election.
  - 10 2. Demand a vote of no confidence be taken by the Assembly and a new Speaker be elected  
11 immediately and/or demand Speaker Vos resign from his role as Assembly Speaker.
  - 12 3. Fully support Representative Ramthun's 2021 Assembly Joint Resolution 120.
